

CREATING YOUR CLEAN AIR PROGRAM

Committing to Clean Air

PLAN – Planning Your Clean Air Program

DO – Implementing Strategies

CHECK – Measuring Results

ACT – Review Your Clean Air Plan

Steps You Can Take

So far, you have learned about the challenges facing ports today with balancing business and environmental needs. You have also learned about the different port activities and the resulting emissions; the potential effects on the environment and public health; and how ports are moving forward to promote clean air through effective strategies. By following the systematic process called 'Plan, Do, Check and Act' cycle, you will be able to create your Clean Air Program that promotes continual improvement.
